 - 2.2. Education provided during school hours (including the supply of any materials, books, instruments or other equipment);
 - 2.3. Education provided outside school hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the student is being prepared for at the school, or part of religious education;
 - 2.4. Instrumental or vocal tuition, for students learning individually or in groups, unless the tuition is provided at the request of the student's parent;
 - 2.5. Entry for a prescribed public examination, if the student has been prepared for the examination at the school;
 - 2.6. Entry for a prescribed public examination re-sit(s), if the student is being prepared for the re-sits(s) at the school;
 - 2.7. Transport of registered students where:
 - 2.7.1. there is a statutory obligation to provide transport;
 - 2.7.2. the governing body has arranged for students to be educated on other premises;
 - 2.7.3. the student needs to meet an examination requirement, if prepared for that examination at the school;
 - 2.7.4. transport is provided in connection with an educational visit.
 - 2.8. No charge can be made for supply teachers to cover for those teachers who are absent from school accompanying students on a resident visit.
3. **The School is permitted to request voluntary contributions:**
 - 3.1. For the benefit of the school or any educational activities as shown in clause 2 above, whether in or out of school time.
 - 3.2. Parents must be notified that there is no obligation to make any contribution but, if insufficient voluntary contributions are raised, the activity may be cancelled.
 - 3.3. Parents on low incomes and in receipt of certain benefits (see Remissions) must be made aware of the support available to them when being asked for voluntary contributions towards the cost of school activities.
 - 3.4. No student will be excluded from an educational activity as shown in clause 2 above, if the parents are unwilling or unable to pay.
4. **Education partly during school hours:**
 - 4.1. Subject to clause 2 above, if 50% or more of the time spent on **non-residential activities** occurs during school hours, it is deemed to take place during school hours. Travel time

counts if the travel occurs during school hours. School hours do not include the break in the middle of the day.

- 4.2. If the number of school sessions taken up by a **residential visit** is equal or greater than 50% of the number of half days spent on the visit (periods of 12 hours ending with noon or midnight on any day), it is deemed to have taken place during school hours (even if activities take place in the evening):
 - 4.2.1. Students are away from noon on Wednesday to 9pm Sunday: 9 half days including 5 school sessions, so the visit is deemed to have taken place during school hours;
 - 4.2.2. Students are away from noon on Thursday to 9pm Sunday: 7 half days including 3 school sessions, so the visit is deemed to have taken place outside school hours

5. The School can charge for:

 - 5.5. Any materials, books, instruments, or equipment where the child's parent wishes him/her to own them;
 - 5.6. Board and lodging for a student on a residential visit; see Remissions for exceptions.

 - 5.10. Costs of repair or replacement resulting from wilful or reckless damage or loss of school property;
 - 5.11. Reprographics costs, where a document has been photocopied on request, whilst respecting copyright laws;
6. The charge must not exceed the actual cost but, in calculating any charges, an amount may be included in relation to:
 - 6.1. Any materials, books, instruments, or equipment provided in connection with the activity;
 - 6.2. The cost of buildings and accommodation;
 - 6.3. Teaching staff engaged under contracts for services or supply teachers engaged purely to provide the activity;

- 6.4. Non-teaching staff;
- 6.5. The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is chargeable;
