

## WELCOME BACK!

It gives me great pleasure to write to you as the acting Headteacher of East Barnet School whilst Ms Swaine is on maternity leave. It is a privilege to have been appointed and I am delighted to be in post and I am very much looking forward to the challenge ahead. We are very fortunate at EBS to have committed staff, kind, courteous and hardworking students and supportive parents and carers. I have extremely high expectations of the students and aim to ensure students experience a calm and purposeful learning environment this academic year. This will be done through good teaching and learning where gaps in learning are addressed and students make rapid progress in their studies. I will continue to expect all students to 'Do the right thing' by being punctual, wearing the correct uniform, being ready to learn and behaving well at all times during the school day. I do look forward to writing to you again soon. Thank you for your support.

C. Hunt, Acting Headteacher

## WE WILL REMEMBER THEM

On Remembrance Day, we acknowledge the courage and sacrifice of those who served our country. Every year, East Barnet School lay a wreath of poppies to show our respect and thanks to those that fell, helping us recognise our responsibility to work for the peace they fought hard to achieve. Today, as every day, we remember those who served, fought, and sacrificed, all for the cause of freedom. We will remember them. Lest we forget.

Isabella Constanti, Sixth Form

## INTERHOUSE COMPETITION

The last week of term saw all year groups from 7-11 take part in an Ultimate Frisbee House competition. Ultimate Frisbee is a non-contact team game, in which teams try to pass a frisbee into an 'End-Zone' to score goals. During their PE lessons students learnt the rules of the game and then competed fiercely against other Houses to score as many goals as possible. Every goal in every lesson was tallied up and contributed to their House's overall score. It was a joy to see so many smiles on the students' faces and witness some fantastic teamwork and gameplay in what was a new sport to most students. Pupils competed fairly throughout the competition and fought hard in every game. At the end of the week, all goals across all year groups were totalled and the final House scores can now be revealed below:

1st - Chama (91 points) 2nd - Tutu (87 points)  
3rd - Keller (81 points) 4th - Murray (69 points)

Well done to Chama on their victory in what was a close fought competition. As well as being victorious in this competition they have earned valuable points towards annual House Cup competition, which is awarded at the end of the year.

## FORMER STUDENT AWARD

Massive congratulations to former student (1991 - 1996), Cassidy Janson who won her first Olivier Award for Best Actress In A Supporting Role for her role in *& Juliet*. We really do take a keen interest in all our former students. Although you may not see this, Cassidy, we are all very proud of you!

## AFTER SCHOOL CLUBS AND SUPPORT

**Year 11 D&T Catch-up:** Mondays & Thursdays in room 217. Open to all students studying D&T, including Product Design and Graphics. Attendance is voluntary but some students may be required to attend to ensure they are up-to-date.

**Year 11 Spanish:** Tuesdays, 3:15pm - 4pm in room 334.

### We hope to start the following later this term:

Year 11 Textiles Homework/NEA Catch-up, Thursdays in 216.

### Year 7 Clubs – ON HOLD UNTIL FURTHER NOTICE

We will be in touch when these clubs can start up again.

Thank you for your understanding.

## ENRICHMENT ACTIVITIES DURING COVID

School trips, clubs and extra-curricular activities have been limited as a result of the COVID restrictions. Many museums, sites and attractions have been closed to visitors in Britain and across the World. Whilst travel is restricted within Britain and abroad you may wish to do a "virtual" visit to a British or foreign museum or tourist attraction. There are also a wide range of activities that will help to enhance, extend and enrich your studies beyond the classroom. You can access these suggestions by following clicking [here](#).

## WELLBEING

East Barnet School is part of Barnet's Resilient Schools Programme which aims to promote whole school awareness of wellbeing, mental health and resilience (or 'the ability to bounce back when experiencing difficulties') by offering training and workshops for students, staff and parents. I am contacting you to remind you of the parents' survey which we would encourage you to complete. The information gathered will help us evaluate the work we are doing and to make sure the programme remains effective and helpful to children and young people.
