

**A JOINT CELEBRATION FOR EAST BARNET SCHOOL AND HER MAJESTY, THE QUEEN!**

2022 is an important year for The Queen and East Barnet School. Whilst the Queen celebrated her Platinum Jubilee in style, East Barnet School continues to celebrate 85 years of educating the students of Barnet. Before half term, as part of The Queen's Green Canopy initiative, students planted a tree and erected a plaque as a permanent reminder of not only the amazing achievement of Her Majesty, but also the environmental work that this initiative is inspiring. Students were proud of the legacy they created, and were honoured to be chosen as representatives. As we continue our special celebrations through the year, students will take part in an 85-minute volunteer challenge, time capsule burying, a whole school photo, commemorative wall mural and themed decade menus from our very popular kitchen, all culminating in our 85th anniversary Summer Fayre. East Barnet School have held fayres before, but this one is bigger and better than ever. We are throwing our doors open to the whole community – everyone is welcome to come and join in the fun on 25th June. More information and how to take part can be found [here](#).

L. Swaine, Headteacher

**YEAR 7 PHYSICS TRIP TO THORPE PARK**

Year 7 students went on a physics trip to Thorpe Park recently. They took part in a workshop and discovered the energy conversions involved in roller coasters and how crucial considerations of acceleration, Newton's laws and forces are in designing the rides. It was an educational visit - but lots of fun was had too!

**NEW GOVERNOR APPOINTMENT**

We are pleased to confirm the appointment of Emily Sampson as Parent Governor. Thank all those who participated in the election by standing for governor or by voting in the ballot. Welcome to the team, Emily!

**SUMMER FUN! BOOKING IS OPEN!**

Keeping the kids entertained over the summer holidays can be a challenge! Take the stress away and book them into some of the fantastic activities offered by BACE Holidays. For more information and to sign up, please click [here](#).

## YEAR 10 BARNET LEAGUE WINNERS!

Earlier this term, Year 10 went into the final of the Barnet League, knowing they were only one win away from being crowned the best team in the borough. They were up against Wren Academy; a team that had convincingly beaten EBS earlier in the season. Things didn't start well when our goalkeeper, Ed Scrivener got injured with a fractured hip, just five minutes into the game! Our normal defender, Jack Moore, stepped in and helped us go into half-time 2-0 up, with goals from Redmond Rexhepi and Panteli Kyprianou. The second half was tough against a strong wind and a strong Wren Academy, who were pushing more and more to get back in the game. However, our defence stayed strong and despite letting one back at the late stages, EBS came out deserved winners 2-1. Jack Moore was the unanimous man of the match for his unbelievable saves throughout the game. This was an excellent team performance and one that every member of the team should remember. I look forward to defending our title next season.

H. Ricketts, Team Manager

## YEAR 9 PLATE RUNNERS-UP

Congratulations to the Year 9 Football Team who finished runners-up in the Football League Plate Competition. After a slow start that saw them trailing 1-0 to SMSJ at half-time, the team came out in the second half and dominated proceedings. They worked tirelessly as a team to create a number of good chances and prevented their opponents getting out of their own half for much of the half. Unfortunately, we didn't finish our chances and whilst pressing for an equaliser, SMSJ broke away and snatched a second goal in injury time. A great team effort on the day and the team should be proud of their performance.

G. Carrington, Team Manager

## HOUSE FIFA COMPETITION

There will be House Competition this term to determine the school FIFA champion... Open to all years, pride and House Points up for grabs! If you would like to sign up click on [THIS LINK](#) or the one in your Skooler. Form Tutors will share a slide with more information. Please see Mr Steele or Ms Bailey if you have any questions. Good luck and remember – there can be only one!

**CAREERS UPDATE:** We have received another fantastic update from our Careers Team, and we are sharing it with you. [Click here](#) to get all the information about upcoming opportunities.

## STOP IDLING OUTSIDE SCHOOL!

We are receiving weekly complaints about cars idling outside school in the morning and the afternoon. It is terrible for the environment, terrible for the students and terrible for the neighbours. Students should be walking to school where possible. If you are driving your child to and from school, please turn off your engine and be considerate of the EBS community and our neighbours.

# RAFFLE TICKETS ARE GO!

## THANK YOU TO THESE AMAZING COMPANIES!

Summer Fayre Raffle Tickets are now available through ParentPay! For only 50p a ticket or £2 a strip (5 tickets), you could win one of our fantastic prizes! The Top Prize has been kindly donated by Churchills Funeral Directors - the picture above shows the bundle you could win - it is worth £250, and all seven items could BE YOURS! Buy as many tickets as you like and increase your chances! A full list of prizes can be found on the Summer Fayre website [here](#), and above are all the logos of the companies that have donated! It has been amazing to work with these local heroes!

### SUMMER FAYRE UPDATE

Rogers Removals are one of the main sponsors of our Summer Fayre. "We have been helping people move home in Barnet for over 50 years and we are very proud of the reputation we have earned in that time. It is always nice to be able to help with local school and community events, and so are delighted to sponsor the East Barnet School Summer Fayre." Dennis Rogers, Director, Rogers Removals.

## RECOGNITION OF STUDENTS THAT GO 'ABOVE AND BEYOND' AND MAKE EBS VERY PROUD!

It has been a busy few months, with lots happening at EBS, but it is always an absolute pleasure to present Jack Petchey awards during assemblies. This enables the nominated student to share their success and recognition with their peers, and demonstrate what can be achieved... sometimes in challenging circumstances. Well done Loren, James, Lara and Sean, we are very proud of you all!

### March 2022 – Loren Abrahams, 12D

Loren is working with me in my Year 8 Spanish class and supporting students with their Spanish. I truly believe Loren deserves to be awarded with a Jack Petchey award for the following reasons: She is 100% reliable and has never missed a lesson despite her heavy timetable and commitment towards her studies. She arrives before the lesson in a truly professional manner and asks about the content of the lesson so she can fully support the students in their learning. She is sensitive to the student's needs, completely professional and carefully monitors those who are struggling whilst maintaining eye contact with me for any direction. She is proactive and sees jobs to be done; handing out and collecting in glue sticks and worksheets. Loren is gaining excellent leadership experience by supporting lessons but she is such an incredible help and support to me that I honestly do not know what I would do without her. She even stays behind at the end of the lesson to let me know who has done well and any problems that have arisen. She is mature beyond her years and has been an incredible support to the students who regard her as a member of staff!

### April 2022 - James Adelagun, 9D

James is an amazingly talented musician. He plays drum-kit and piano well above the standard of most students his age and is predominantly self-taught. James is a huge asset to the music department, he is part of the school orchestra, and his reliability makes him almost the backbone of the ensemble and keeps everyone together. For the recent school musical, 'Sister Act', James mastered complex drum parts in several styles and tempos. I'm sure anyone who came to see the show would agree that James' performance was both outstanding and integral to the show. He supports the music department immensely. In last year's Christmas concert audition process, he played backing tracks, stage managed and ensured students were in the

right place at the right time, as well as performing himself. He learnt the first movement of Beethoven's 'Moonlight Sonata' completely by himself and performed it beautifully. He has also used his experience and patience, kindness and resilience to mentor a year 7 student within music. This has kept the student motivated, and developed not only their keyboard skills, but their confidence, leading to performing in front of an audience. I could go on! I have no doubt that James is fully deserving of a Jack Petchey award this year.

### May 2022 - Lara Tuna, 12G

I nominate Lara Tuna, for being an amazing help in my RE classes. She is working with me as part of her Leadership. Although she completed all her leadership hours she still comes into my lessons to support me and the students. She is never absent, she is always on time and ready to help. In the classroom she is instinctively supporting all the students who need help. She is always enthusiastic, positive and kind to all students in the class she supports. She is a natural teacher, and she is exceeding all my expectations. She only joined the school in September and I am really happy that she has chosen RE for her Leadership hours. She is fulfilling a great role as a Teaching Assistant, and is one of the best that I have had in my lessons. If I can put it in these words. "She is a great role model for others."

### June 2022 - Sean Welch, 7H

Sean has been an absolute star since day one. He is constantly doing the right thing and he is constantly looking out for everyone! He is very caring and has been a great support for one of his peers by helping them with their learning and their transition from primary to secondary school. He is the forms House Captain and has represented the form in every possible opportunity by ensuring everyone's needs are heard and taken into consideration. He also applied to become a Youth Ambassador for Barnet which further demonstrates his passion to help others. It is with no surprise that when one student is upset, they ask to speak to him. He is a kind, respectful individual that will always ask everyone around him how they are and how he can help. He is such a good role model and he is helping others over and above expectations!

D. Bailey, Head of Houses

# TAKE AN INTEREST IN YOUR CHILD'S ONLINE WORLD!

- Find resources to keep your child safe online.
- Be honest if you don't understand apps and games they're using, ask them to explain their online world to you.

- Tell your child that they can come and talk to you about anything they are experiencing online.
- Notice changes in behaviour, as this could be a sign that something may be wrong.

- Accept that young people will take risks on and offline. However, encourage your child to talk to you even if they make a mistake and think it's too late!

- Be open to what you're being told. Be mindful of the words you use. Especially, if you're upset by something negative you discover about your child's online activity.

- Most importantly seek help and advice if needed, don't think you must do this alone!
