

CELEBRATIONS ALL AROUND!

The Year 11 exam season is over - what an achievement for our students. I wanted to extend a sincere thank you to all the parents and carers who have helped at home, to our teachers who have supported the students and of course to our students themselves who have remained committed and determined over this pro-longed exam period. The students will be celebrating at their Prom, our first in two years, and we can't wait to celebrate with them. The celebrations keep on coming; we had a special afternoon tea last week to celebrate the long service of some of our colleagues. It is rare to find teachers committed to the same school for so long and we were celebrating 30+ years! It is a jam packed week, as we are also celebrating the fruition of all the hard work from the Art and Photography students at their exhibition and have our end of year music concert too. This week is being tailed with our Summer Fayre on Saturday 25th June, the school will be transformed into a playground of fun, it is set to be the best yet and we can't wait to see you.

THE TIME IS ALMOST UPON US - EAST BARNET SCHOOL'S SUMMER FAYRE 2022!

As one of the organisers of The EBS Summer Fayre, and Editor of EBS News, I am so pleased to tell you that we are almost ready to go! We have spent the last few months, putting the Fayre together; from speaking to local businesses and learning about surf simulators, to discussing how many burgers are too many and whether we really need an inflatable crocodile - what do you think? The decorations and set up will be happening on Friday after school and Saturday morning, and it is going to look amazing! It would be great to see as many of you as possible coming out to support the school and students, many of whom have stalls at the Fayre. We have been following the weather for weeks and it looks as though it may be kind to us, now all we need is you! The drinks are on ice, the BBQ is warming up, and the crocodile is hiding somewhere, so all that is left to say is: see you on Saturday!

Dear Leann,

I am writing to congratulate you on the outcome of your Ofsted inspection last term. It clearly demonstrates the very hard work and commitment shown by you, your staff team and your governors to ensure that the students at East Barnet receive such a good education. You should take real pride and personal credit for this. The letter from the lead inspector highlighted the "culture of mutual respect and understanding in the school" that you and your team have created, with your pupils enjoying "being part of a diverse community" and displaying "a friendliness and respect to all." I was particularly pleased to see the work that you have done on anti-racism and equalities was both recognised and praised.

Your ambitious curriculum and suitable pathways ensure that your students are well supported in order to go onto their next stage in their education or career.

The Ofsted Framework has become more challenging since the school's previous inspection in 2016, so it is really pleasing to see that you have not only maintained the high standards, but clearly have become an even stronger school.

I know this has been a very challenging two years for all schools and I wanted to thank you for your resilience and your leadership over this period.

I am proud of the work the school has undertaken to continue to provide a really good education to pupils at East Barnet. Please pass on my congratulations to all your colleagues, your governors and of course to the students too.

Yours sincerely

Neil Marlow

85 YEARS TAKE US TO THE 1970S & 1980S

Having stepped back in time to the 30s, 40s, 50s and 60s, it was time for the 70s and 80s. Think everything in shapes, and there you have the culinary delights of the time. The students were particularly fond of the 'OG' school cake!

If your child has outgrown their PE kit or is leaving school and no longer needs it, please donate it to the PE Department. We are always looking for spare kit to lend out to students who forget their kit. Please drop, clean, usable kits to reception for the attention of Mr Carrington. EBS ATHLETES SHINE AT MIDDLESEX CHAMPS!

Congratulations to Danny Banyard (Yr 11), Hannah Parsons (Yr 11) and Charlotte Parsons (Yr 8) who represented the Borough of Barnet at the U15 and U17 Middlesex Championships on Saturday 18th June. Danny blew away the field in his 800m race, finishing 1st in a time of 2 minutes 7 seconds. Hannah put in a great performance in the discuss, finishing 2nd overall and Charlotte (competing against students older than her) excelled in the Javelin competition! Their performances contributed to Barnet winning the Middlesex Championships competition for the first time in several years! We are proud to have such fantastic athletes inspiring others at EBS.

Mr Carrington (Head of PE)

YR 8 FOOTBALLERS SELECTED

Congratulations to Jaik R and Max A-X and Ned D in Year 8 who have been selected for Middlesex County football team! Three of many talented footballers we are fortunate to have in Year 8! We wish you luck representing the county!

YR 7 HOUSE BANNER PREPARATIONS

After a quick snack and some juice, Year 7 House Captains and representatives joined together after school to create fantastic House banners. They were given a 'blank canvas', and within an hour, had turned them into colourful, House-themed and inspirational House banners for the Summer Fayre. It was a super display of teamwork and creativity! Thank you to Miruna, Louise, Olivia (7A), Foivos, Nadin, Josie (7B), Efran, Mia and Alexia (7C), Aranee, Adrian, Freya (7D), Konrad (7E), Nadia, Shriya, Jamie (7F) and Oscar, Sophie (7H). What to do if your child has a negative 'online' experience...

 If your child receives inappropriate contact 'online', whether it be via; messages, images or videos this can be extremely distressing for not only the child, but the rest of the family too.

 The content of the communication could be inappropriate (sexualised or pornographic) or may be threatening or deemed as bullying.

How to respond if your child shares they have had a negative experience

Stay Calm & do not respond to any messages

Praise them for coming to talk to you

Reassure them they are not to blame

Listen to their account of what happened

'Block' the person/people responsible

Keep any evidence (Screenshots)

Reporting concerns and accessing information & support

 We would encourage you to talk to your child about CEOP & promote them as the 'Internet Police' - they may well have heard about them before at school.

 Take some time to visit 'thinkuknow' with your child & explore it together!
