

SUMMER FUN IS HERE!

Summer fun is definitely here at EBS! Over the last couple of weeks we have had the end of year Proms, some fabulous trips to France and Spain, the Tower of London, theatre trips and our Year 6 day. We are looking forward to our rearranged Sports Day, Year 10 Work Experience, Vienna trip and of course our famous Year 7 Cornwall adventure that is soon to depart! These trips all help to fulfil our goal of developing students' whole person by building their character. As the exam season draws to a close, I want to take this opportunity to thank all the teachers for the exceptional way they prepared the students, the exams team for ensuring the process was smooth and professional and of course to the students for their exceptional conduct and hard work. In a couple of weeks we will be sending you a copy of our End of Year Magazine, which is always a highlight of the school year, where we look back on everything we have done, which also means this is the last EBS News of this year. When it arrives, I hope you all have a restful and enjoyable summer break.

PRIDE MONTH AT EAST BARNET SCHOOL

Pride Month this June has gone off with a sparkly bang at EBS! From our newly decorated wheel appreciating 60 LGBTQ+ icons, to our now famous rainbow cake; we have celebrated in style!

STUDENT PLANNER DESIGN WINNERS

There were some fantastic designs submitted for this year's competition, and it was very difficult to select the winners. Well done to WINNERS **Emily**, **Cherrie** and **Elizabeth** who not only win 200 points for their respective Houses, but they will see every student carrying around one of their designs on the key stage planners next year! Fantastic. A House Point was awarded for each individual entry submitted, and as there were so many great designs, this year we awarded runners up points (100 per House) to **Bianka** and **Bella**. The level of creativity that we have at East Barnet School is truly amazing.

EAST BARNET SCHOOL IMPORTANT NOTICES

CHANGES TO MCAS LOGIN

From Friday 14th July, the way you login to the My Child At School web portal and mobile app will change, simplifying the process and making it easier to access the service.

Bromcom are removing the need to enter the School ID and your username. Going forward you will simply need to enter your email address and password to login. Your email address is the one that we have associated with your contact details on your

child's record and is the one you currently receive school emails on. If you used an alternative email address for password recovery then this will also work.

If you have forgotten your password please use the 'Reset Password' link on the MCAS login page and this will send a link to your email address to reset your password.

If you receive a message saying 'Incorrect Email Address' or if you cannot remember the email address then please contact the school office who will be able to help you.

Further details of the changes and a helpful video explaining the new login process can be found [here on the Bromcom help page](#).

CHANGE TO MAIN EMAIL ADDRESS

We are changing our main school email address. Currently you can contact the school by emailing us on enquiries@eastbarnetschool.com but from next week this will change to:

info@eastbarnetschool.com

The other email will continue to receive emails until the end of term and over the summer, but from September info@eastbarnetschool.com will be our main address. Please add it to your list of safe senders on your email account so our emails do not go in to your spam/junk folder.

REPORTING ABSENCES & LATES

Please report your child absent by 8:30am. You **do not have to ring us**, you can send an email to absence@eastbarnetschool.com which is quicker. You can also report your child absent at the bottom of the 'Contact Us' page on our website. If you would like to leave a voicemail, you may still do so. You can report a lateness in the same way.

NON-URGENT QUERIES TO THE SCHOOL

If your query is not urgent, please send us an email, or call after 10am. It is very difficult in the morning rush for the receptionist to get hold of members of staff to deal with queries. Of course, if it is an emergency, please call us as normal. Thank you for your understanding

LOST PROPERTY: Parents are invited to school at 3:00pm on Wed 19th July to look through our lost property and hopefully reclaim some of the items students have lost. After this date all unclaimed items will be donated to charity.
